PAY TRIBUTE TO FOUNDERS OF SAE FRAT

(See Photo Page 4)

Dedication of the David P. Deatrick Memorial Building as a tribute to the founders of Pennsylvania Delta Corporation on its 50th anniversary highlighted the 78th annual Founder's Day dinner of Pennsylvania Delta Chapter, Sigma Alpha Epsilon fraternity Saturday evening in the Hotel Gettysburg. 155 persons attended the dinner.

The Rev. Dr. Carl Simon of Washington, D. C., was the speaker. During his address, an oil painting of the late Dr. David P. Deatrick and a bronze plaque containing names of Pennsylvania Delta's founders were unveiled by Arthur King Clark, Pittsburgh, stepson of Dr. Deatrick, and David W. Hetrick, Havertown, a nephew of Dr. Deatrick, and son of one of the founders, the late William H. Hetrick.

IN CHAPTER HOUSE

The painting and plaque have been placed as permanent memorial in the recently enlarged and remodeled chapter house on West Lincoln Ave.

"The dreams, hopes and aspirations of Dr. Deatrick, Dr. Harry C. Hoffman and Dr. J. G. F. Holston Jr., to form the present corporation and have a chapter home at Gettysburg, started in 1901 while these three men were students at the University of Pennsylvania Medical School," Dr. Simon said.

"It took a long time for these dreams to become real. But the thought of what they could do for others only spurred these men on. Success crowned their efforts in 1910, when the following men joined them in forming the Pennsylvania Delta Corporation:

2,243 Persons Tour Battlefield Sunday

Two thousand two hundred forty-three persons visited the Gettysburg Battlefield Sunday, it was announced today by the National Park Service office. Seven hundred five came in 18 buses and 1,538 came here in private automobiles.

Traffic Sunday was the heaviest for a Sabbath this year. Sunday afternoon cars on the four main streets of town were almost bumper-to-bumper for hours.

WOMAN FOUND DEAD IN HOME ON SATURDAY

Mrs. Della Catherine Manahan, 67, was found dead in her Emmittsburg R. 3 home Saturday, Dr. B. O. Thomas, Frederick County deputy medical examiner, said the death was a suicide by self-inflicted shotgun wounds. He placed the time of death at 6 o'clock Saturday morning.

A son, Cyrus Manahan, who resided with his mother, left for work about 5:30 o'clock Saturday morning. A neighbor found the house locked later Saturday morning notified other relatives who called the son at his work. When he arrived home and entered he found his mother dead.

A native of Frederick County, she was a daughter of the late John and Mary Susan (Zimmerman) Smith. Her husband, the late Dennis Manahan, died in July, 1960. She was a member of the Thurmont EUB Church.

SERVICES TUESDAY

Surviving are four children: Calvin D. Manahan, Gettysburg R. 6; Mrs. Bernard Shields, Emmittsburg R. 1; Cyrus Manahan, at home, and Mrs. Walter Stonieser, Emmittsburg R. 2.

Also surviving are five grandchildren; a great-grandchild; a brother, Simon Smith, Rocky Ridge, Md.; a sister, Mrs. Alice Wetzel, Sabillasville, and a half-brother, William Rodgers, Woodsboro.

Funeral services Tuesday afternoon at 1:30 o'clock at the Wilson Funeral Home, Emmittsburg, with the Rev. E. R. Andrews officiating. Interment in the Thurmont United Brethren Cemetery. There will be no viewing.

DAMAGE SUIT IS SETTLED HERE FOR \$750

Settlement of the trespass action brought by Robert B. Swisher, college campus, and his 13-year-old daughter, Roberta C. Swisher, against the Hotel Gettysburg Company for \$750 was approved by the Adams County court this morning.

Miss Swisher was struck by a hotel storm door opening on Carlisle St. and she suffered a broken left ankle. The settlement provided \$197.70 for Robert B. Swisher to cover the medical and hospital bills, damaged clothing and other incidentals connected with the accident and hospitalization. One hundred eighty-five dollars was authorized as the payment to Attorney Eugene R. Hartman who represented the Swishers. Three hundred sixty-seven dollars and thirty cents was awarded Miss Swisher, to be placed in a con-

"The Seminary Chapel" resumes Tuesday

The "Seminary Chapel" programs on WGET will be resumed Tuesday morning at 9:45 o'clock when Larry L. Lehman, a member of the Senior class at the Gettysburg Lutheran Theological Seminary, will speak on "Christ Challenges."

Lehman is a former resident of Camp Hill and was graduated in 1958 from Gettysburg College. The Seminary Choir under the direction of Robert Clippinger will sing a traditional Irish hymn, "I Sing As I Arise Today." The words of the hymn are ascribed to St. Patrick, the patron saint of Ireland.

Tornadoes Blow Cars Off Roads, Fell Radio Towers

By THE ASSOCIATED PRESS
A turbulent storm raked the Midwest with damaging winds and heavy rains today after spawning more than a score of tornadoes which smashed paths of destruction through Missouri and Arkansas.

One woman was killed and at least 57 persons were injured Sunday as swirling winds crumpled homes, toppled radio towers and blew automobiles off highways. Property damage was extensive in the two-state area. Repairmen struggled to restore communications disrupted by downed lines. Felled trees barricaded roads. Heavy rains, flash floods and hail impeded rescuers.

A tornado swirled out of the darkness near West Plains, Mo., and shattered the little frame Friendship Baptist Church in which 30 persons were attending Sunday evening services. Frances Huddleston, 42, was killed. Her husband, Dr. J. A. Huddleston, 43, was seriously injured while 10 other churchgoers suffered lesser

injuries.

Appoint Rice Ambassador To The Hague

John S. Rice, West Broadway, president of the board of trustees of Gettysburg College, from which he graduated in 1921, was nominated by President John F. Kennedy to be the United States ambassador to The Netherlands.

Tapped for the ambassadorial post over the weekend, the tall, congenial Gettysburger will become the second Pennsylvania official to join the diplomatic corps in Kennedy's "New Frontiers" administration.

The other is Maj. Gen. A. J. Drexel Biddle, designated to be ambassador to Spain. Biddle is state adjutant general.

Rice wears two hats — one as secretary of the Commonwealth, a cabinet post which pays \$20,000 a year, and the other as Pennsylvania's Democratic chairman. He has been active in the party for years.

ANCESTORS FLED COUNTRY

As Netherlands ambassador

Rice will be returning to a land where his English ancestors pushed off for the new world some 200 years ago.

He isn't sure how long his ancestors stayed in Holland en route to the colonies. Nor is he certain what prompted their emigration although it came in the 18th Century when religious dissent caused many to flee England.

But Rice says his family stayed in Holland "long enough for them to speak Dutch pretty well."

Rice himself speaks the language, although admittedly not fluently.

Quick-witted, he shrugs off talk that he is wealthy this way:

"Well, if you are broke, they say you are impoverished. And if

The twister destroyed a filling station and damaged several other buildings near the church. Earlier, the same tornado destroyed a store, filling station and home at Hardenville, about 25 miles southwest of West Plains.

Six persons were injured near Tipton Ford, about seven miles south of Joplin, Mo., where a twister destroyed at least two homes, damaged several others and hurled a pickup truck against a tree.

Three of four radio towers of station KWTO were blown down by a tornado that struck about three miles south of Springfield, Mo. Several farm buildings also were damaged.

Other twisters were sighted near Branson, Monett and Nevada, Mo., and several automobiles were blown off U.S. 71.

Considerable damage was reported in the tornado-struck Arkansas community of Busch, near the Missouri border, where at least 14 persons were injured.

T.F. WARREN, 41 TRUCK DRIVER, IS FOUND DEAD

Theodore Francis Warren, 41, Fairfield R. 2, missing from his home since Thursday, was found dead in his car between Emmittsburg and Harney Sunday afternoon.

State police had sent out a missing persons announcement over WGET and over teletype services to other police forces Saturday. Maryland state police notified the state police substation here Sunday evening that Warren had been found by Oliver C. Cashehl, Taneytown R. 2 farmer, about three miles north of Emmittsburg on the Harney Road about 1 o'clock Sunday afternoon. Warren's 1954 car was about 250 feet west of the Harney Rd., according to the Maryland police report.

UNDER DOCTOR'S CARE

Dr. B. O. Thomas Sr., Frederick County medical examiner, said the death was a suicide. He said Warren apparently had connected the exhaust pipe of his car to the inside of the vehicle by a hose and died of carbon monoxide poisoning. Thursday was listed as the date of his death.

Warren had been under a physician's care for some time.

He had been employed as a truck driver for the Rubberoid (Funkhouser) plant at Greentown. He was a veteran of World War II and a member of the VFW post at Emmittsburg. He was a son of

Early Returns On Easter Seals Good

The first week's returns from the current Easter Seal sale by the Adams County Crippled Children's Society showed receipts of \$1,605.80, it was announced today by Mrs. Edgar K. Markley, campaign chairman. She said the figure is "more than \$400" ahead of the total for the comparable date last year.

The Easter Seal sale which runs from March 2 through Easter Sunday is the chief source of funds which society carries on its program of help for crippled children and adults by purchasing braces, special shoes and other equipment needed by handicapped youngsters. The society also provides summer camp- ing with some of the seal sale funds going toward the support of the summer camps operated by the state society.

MANY PRIZES AWARDED AT FRAT DINNER

"Fraternities face a challenge brought about by social changes," William S. Zerman, executive secretary of the Phi Gamma Delta fraternity, told more than 125 alumni and undergraduates at the annual Norris Pig Dinner at evening.

Zerman explained the national fraternity viewpoint on social changes that are taking place in the country. He said a variety of interests and personalities have been the reasons for the success of the fraternity.

Golden Owl certificates were awarded the Fijis who joined the chapter more than 50 years ago. They included: Sam Conway, Dr. Milton Miller, Roy "Pat" Smith, Forest Mercer and Dr. "Polly" Sieber.

J. D. MILLER, 80, BANKER, CIVIC LEADER, DIES

J. D. Miller, 80, retired Biglerville banker and civic leader, died at his home in Biglerville Saturday evening at 6:50 o'clock after having been in declining health for two years. He had been bedfast for the last two months.

He ended 33 years as an officer of the Biglerville National Bank in December, 1958, when he retired for reasons of health.

He had been made cashier in 1925 and became the bank's vice president in 1944.

Mr. Miller was a native of Garrett County, Md., where he attended public school and later taught a term after his graduation from normal school. He attended Prince William Academy and Daleville College in Virginia and was graduated from the latter institution.

He was also a graduate of the Iowa City Business College and had taught school for one year in Johnson County, Iowa.

He first worked with a bank in Somerset County, Pa. He came to Biglerville in 1922 as treasurer of the C. H. Musselman Company but returned to Somerset County two years later to help them open a bank at Jernettown. He returned to Biglerville in 1925 to join the Biglerville National Bank's staff as cashier.

He was a member of the Fairfield Mennonite Church.

Will Rebuild; Loss Covered By Insurance

(See Photos Page 3)

The Knouse Foods Cooperative at Peach Glen today made plans to build a new grading room and two cold storage buildings, representing all of the cold storage facilities of the plant, which were destroyed by fire over the weekend.

The buildings, covering an area 240 by 100 feet, and their contents were valued at "between \$600,000 and \$700,000," M. E. Knouse, president of the cooperative, one of the largest in the world, said today. The loss was covered by insurance.

More than \$50,000 worth of equipment for a new peach line stored in one cold storage building pending installations was removed to safety by firemen and other volunteers. Of 250,000 wooden crates stored in the structures, approximately 50,000 were saved by firemen.

WORK ON PLANS

President Knouse said engineers of Fruit Industries, Inc., were notified at 7 o'clock Saturday night to begin work on plans to build new concrete block and brick structures to replace the ones destroyed. The new buildings will match the main part of the plant constructed about 1945. The buildings destroyed were built in 1932 and 1934. They included a one-story grading room along the north side of the buildings, facing the road; a two-story cold storage room adjoining the grading room and a four-story cold storage building adjoining the other cold storage structure.

Knouse said the new buildings must be completed by July 1 when the cherry harvest begins.

Mr. Knouse stated that the main plant was not damaged, and operation of this part continued as usual today.

Destroyed with the buildings were the crates, all of the cold storage refrigeration equipment, all of the grading equipment, and one part of the processing room that extended into the area.

Knouse and comptroller John Leeti and a day watchman were at the plant Saturday afternoon after other employees had left for the day. About noon the watchman was in the area destroyed by fire but found nothing amiss.

About 2:45 o'clock Knouse went to the orchards to check damage caused by mice and rabbits. When he returned to the plant about 3:19 o'clock he found smoke and a "little bit of fire" issuing from the roof above the grading room.

COMPRESSORS EXPLODE

He turned in the alarm and shortly thereafter three ammonia compressors exploded, apparently from heat, in the grading room, blasting "a hole big enough to drive a truck through," into the first cold storage plant. The compressors with large ammonia tanks providing the refrigeration for the plant were in the grading room. Additional explosions occurred during the fire from ammonia in pipes.

Bendersville firemen were still at the scene this morning and fire still smoldered in the destroyed buildings. More than 400 firemen from Adams and Cumberland counties fought the blaze, which at times hurled flames 150 feet into the air.

400 FIREMEN SERVE

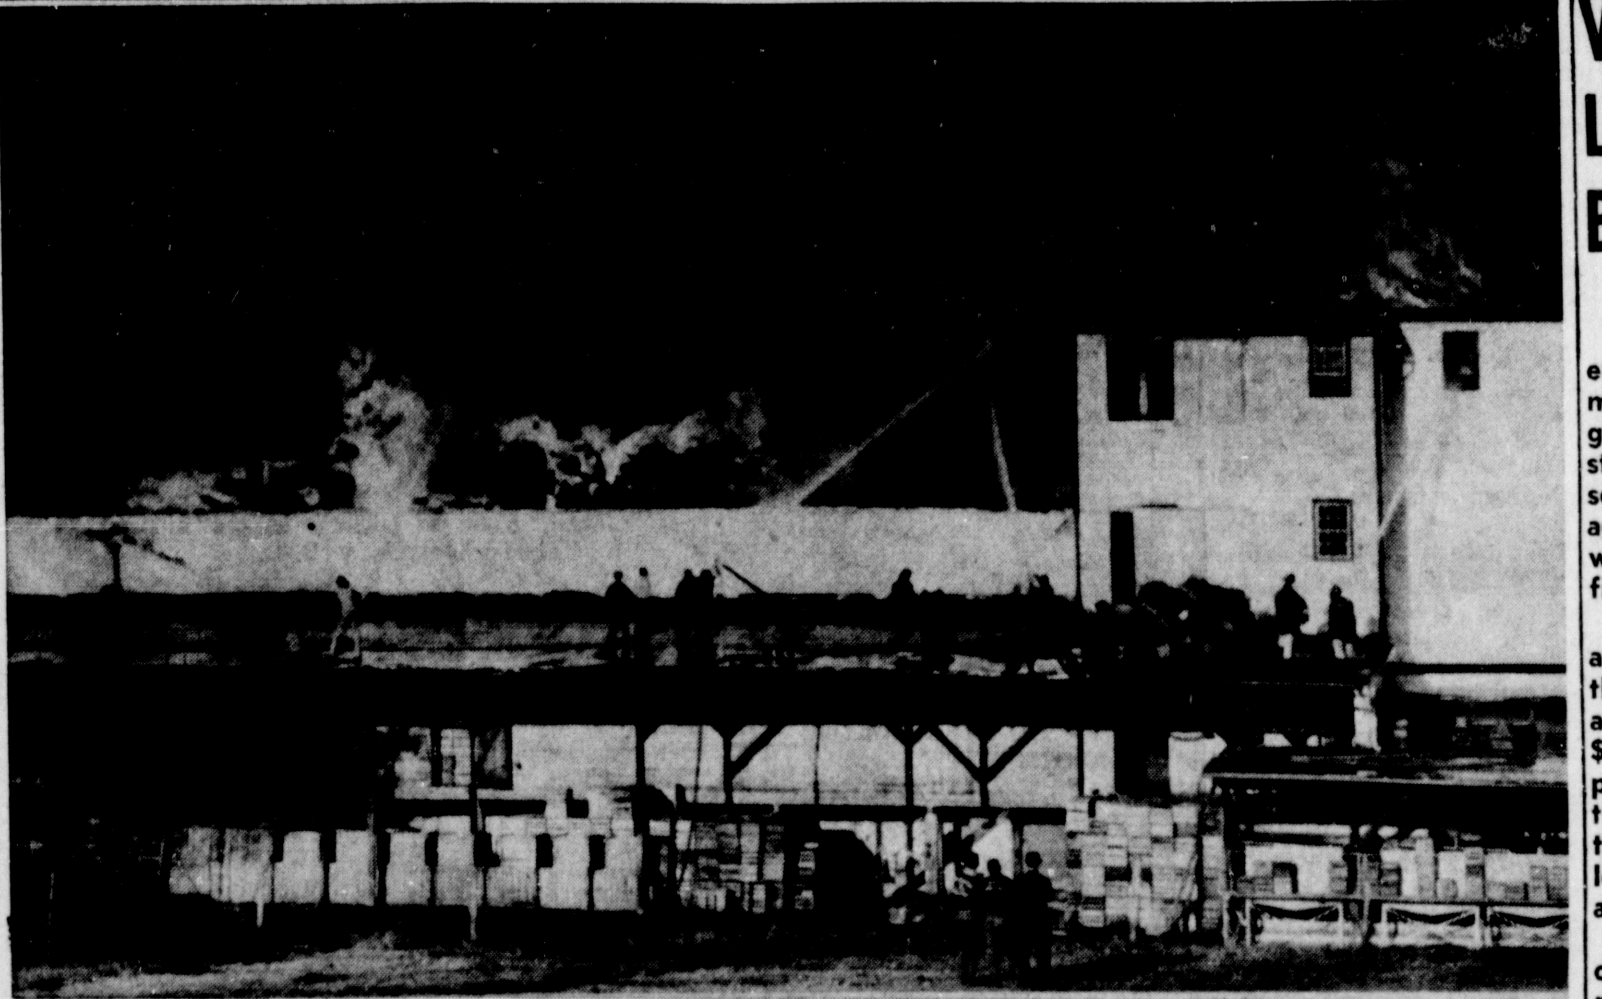

At the peak late Saturday night 15 companies had 23 fire trucks and two ambulances at the scene. Some companies replaced others Sunday bringing a total of 21 companies and 30 pieces of equipment into action. Approximately 400 firemen helped fight the blaze.

Thomas Carr, Gettysburg fireman who was on the roof of the cider mill adjoining the blazing storage buildings for about five hours, became ill about 7:30 o'clock. He was given oxygen and then fell unconscious. He was removed to the Warner hospital in the Biglerville ambulance where he is a patient for observation.

CLARK IS OVERCOME

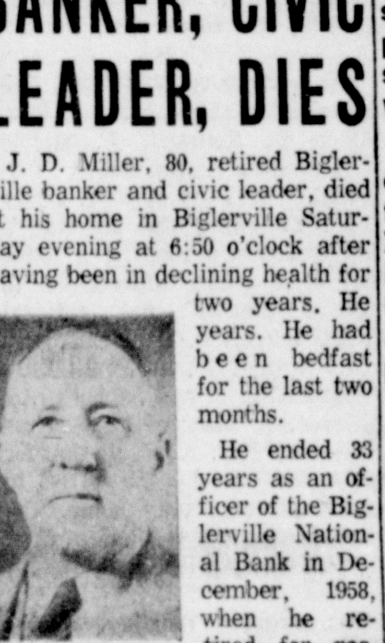

Dale Clark of the Bendersville Co. was overcome by exhaustion and was treated at the scene. Charles Bretzman, Bendersville, was also overcome.

(Continued On Page 3)

Firemen are shown pouring several streams of water on the raging flames at the Knouse Foods Cooperative plant at Peach Glen Saturday afternoon which caused damage estimated at between \$600,000 and \$700,000. The fire raged out of control for approximately five hours and then smoldered over most of the weekend keeping alert firemen at the scene. (Ziegler photo)

HOLDUP PAIR HUNTED HERE

State police here Sunday night joined others in the search for two men who robbed Austin's grocery store at Liberty and Second Sts., Chambersburg, Sunday night at 10:30 o'clock.

Police here were notified by teletype to join in the search after the two men, according to the teletype message here, held up two clerks at gunpoint and took \$234 from the cash register at the store.

The teletype message described one bandit as a white male, aged about 20-21, with a bruise under the left eye, straight reddish hair, about five feet six, and 150 pounds, wearing a medium blue jacket. The other man was described as a white male, 20 to 21 years old, five feet nine, about 170 pounds, straight medium brown hair, light complexion and wearing a light jacket. Both were armed with five-inch blue steel revolvers.

Police said the two entered the store and purchased soft drinks which they drank until all customers had left. Then they pulled revolvers and covered the two clerks in the store. One clerk was locked in a back room while the other was forced to open the cash drawer and give the men the bills in it. When last seen, the two bandits were running along Liberty St. in Chambersburg.

trolled account with her father as guardian. The settlement also provides for the hotel to pay all the expenses in connection with the case.

LEAVE FOR THRUSH

The court set April 10 as the date for return of a rule on Bruce Funt to show cause why the judgment he had entered against William Starnier, Aspers, should not be reopened. Starnier in his petition to reopen judgment said he was notified February 24 that a judgment of \$210.80 had been filed against him in the county court based on a promissory note dated February 15, 1956. Starnier said he never signed such a note. He said that in 1955 he signed a note in pencil which was to be used by Funt to secure \$75 from the Farmers' and Merchants' Bank. The loan did not go through, Starnier said. He contended that the only purpose of signing the 1955 note was to enable Funt to borrow the money, and that he does not owe Funt anything and the note at the courthouse is "fraudulently completed."

A leave of absence was granted Attorney John D. Thrush as a member of the Adams County Bar. Thrush asked the leave because of his employment with the legal department of the U.S. Department of Labor requires him to move his "main office" from Adams County.

A petition was filed by Lloyd E. Spertzel, administrator of the estate of Reba E. Riley, of Dickinson Twp., Cumberland Co., asking the court to permit settlement of the action in trespass brought by Spertzel against Frank E. Wolfe, Gardners R. 2, for \$5,218.12. The trespass action resulted from the death September 18, 1960, of Mrs. Riley from injuries received in an auto accident February 25, 1960, near the jail on the Biglerville Rd.

Argument was heard on the petition of the Metropolitan Edison Company that it be dismissed as a defendant in the trespass action brought by Gertrude M. Wood, Washington, D. C., against A. B. Seifert and Son and others as a result of the death of Mrs. Wood's husband while working on the new dining hall at Gettysburg College several years ago. The electric company claimed it was not negligent in placing its wires a number of feet from and above the building. A tool being used by Wood in surfacing the roof touched the wire and he fell from the roof.

BANK IS GUARDIAN

The First National Bank of Gettysburg was appointed guardian of the estate for Jefferson E. Kuykendall, aged 3, on petition of his father, Earl R. Kuykendall, Biglerville R. 1, who said the child will soon be beneficiary of a settlement in an action in trespass.

Attorney Ronald J. Hagerman was appointed master in the divorce action of Robert L. Arter versus Bertha E. Arter.

The court approved return of the record in the divorce action of Maxine Clear Upham Beinhart against Amos Baldwin Beinhart to the master for further testimony.

EXCHANGE TO MEET

New Way Found To Stop Hair Loss, Grow More Hair

HOUSTON, Texas — For years "they said it couldn't be done." But now a Texas firm of laboratory consultants has developed a treatment that is not only stopping hair loss . . . but is really growing hair!

They don't even ask you to take their word for it. If your symptoms indicate that the treatment will help you, they invite you to try it for 32 days, at their risk, and see for yourself!

Naturally, they would not offer this no-risk trial unless the treatment worked. This is all the more remarkable in light of the fact that the great majority of cases of excessive hair fall and baldness are the beginning and more fully developed stages of male pattern baldness and cannot be helped. But how can any man or woman be sure what is actually causing their hair loss? Even if baldness may seem to "run in your family," this is certainly no proof of the cause of YOUR hair loss.

Actually, there are 18 scalp disorders that can cause hair loss. No matter which one is the cause

of your hair loss, if you wait until you are slick bald and your hair roots are dead, you are beyond help. If you still have hair (or at least some fuzz) on top of your head, and would like to stop your hair loss and grow more hair . . . now is the time to act.

Loesch Laboratory Consultants will supply you with treatment for 32 days, at their risk, if they believe the treatment will help you. Just send them information to help them analyze your problem. This information should include how long your hair has been thinning, and whether or not you now have or ever had any of the following conditions: Do you have dandruff? Is it dry or oily? whether your scalp erupts in pimples or other irritations, does your forehead become oily or greasy? does your scalp itch and how often? and any other information you feel might be helpful. All letters will be answered promptly. Send the above information, and your name and address to Loesch Laboratory Consultants, Box 66001, Houston 6, Texas.

The top photograph shows flames soaring into the sky at the peak of the blaze which caused between \$600,000 and \$700,000 damage to the Knouse Foods Cooperative plant, Peach Glen, Saturday afternoon. Firemen from a score of companies fought the blaze over the entire weekend. In the lower photograph M. E. Knouse, president of the cooperative, discusses the probable cause of the blaze with Charles Bretzman, assistant fire chief of the Bendersville company. (Ziegler photos)

PAY TRIBUTE

(Continued From Page 1)

Pfahler, Earl Beachey Musser and Fred G. Masters. These are the men whom we honor and dedicate the building and plaque. They began 50 years ago what we have today.

At the conclusion of Dr. Simon's address, his son, Geoffrey Simon, sang a dedication song which he composed for the SAE National Leadership Training School at Evanston, Ill., last year.

SCHARF IS TOASTMASTER

Henry M. Scharf was the toastmaster. Speaking of the significance of the occasion he said: "This is a significant day in the history of our fraternity and of our chapter. As we observe the 105th anniversary of our fraternity, the nation observes the centennial of the Civil War in which our young founders participated and gave their all in support of their beliefs."

"Of further historical significance is that this marks the 78th anniversary of the founding of Pennsylvania Delta, the first chapter of SAE to be established north of the Mason-Dixon line. This was the important step that led our national fraternity to greatness and ultimately to preeminence in the Greek letter world. This expansion happened in a critical period in our country's history—when the economy was being reconstructed and when memories of the black days of reconstruction were still vivid."

"GREAT HERITAGE"

"It is in the atmosphere of this great heritage that we meet tonight to pay tribute to the group that 50 years ago founded Pennsylvania Delta Corporation. And in dedicating the David P. Deatrick Memorial Building, we pay tribute not alone to the man who was Pennsylvania Delta's 'Billy' Levere, but through him to those who associated themselves with him in creating the link that has always provided the continuity of our successive chapters. This small band of brothers, pursuing the foresight of our late great brother, devised a fiscal policy and a corporate structure that has been a strong influence in the whole Greek letter world."

"SPIRIT WON'T DIE"

"The spirit of Dave Deatrick and his associates who founded our chapter and our corporation lives on and will never die. That which they created survived two wars, depressions, recessions and boom periods. It will meet the problems of the future as challenges to the strong foundations they built and to the rich heritages they left us."

Rex A. Smith, executive secretary, Evanston, Ill., extended greetings in behalf of the Supreme Council. He paid tribute to the Pennsylvania Delta founders, the growth of the local chapter and commented on the development of the fraternity and

the fraternity system. He said: "Today we find ourselves again in the path of a gigantic expansion boom. Colleges are doubling their enrollments, requests for additional chapters are daily increasing, and the attacks from without are becoming increasingly frequent and amazingly violent."

CONCEIVED IN FREEDOM

"Because the college fraternity was conceived in an atmosphere of freedom, nurtured on the premise of brotherly regard and affection, and has thrived on a dedication to the attainment of well-rounded personalities, it has been singled out as a target by those who wish to destroy all of these noble virtues in man's nature. This is not conjecture, there is substantial proof that an organized effort toward this destruction is being waged by Communist inspired groups throughout the country."

Tom Shreiner was named the outstanding pledge and presented an award by William T. Kirchhoff, pledge trainer.

Gordon D. Whitcraft, retiring president, presented fifty-year certificates to Erwin C. Opperman, Lemoyne; the Rev. Robert J. Wolf, Loysville, and Van Buren Dayhoff, Greystone, R. I. Seven other recipients were unable to attend and will receive theirs by mail.

Members of the chapter who expired during the past three years were memorialized by H. Edgar Riegle, superintendent of the Gettysburg Public Schools.

Russell Heuerer Jr., province archon, and Fairbairn Gilkeson, past province archon, both of Philadelphia, were introduced and spoke briefly.

Pennsylvania Delta's first housemother, Mrs. Q. W. Hershey, also was presented by Scharf.

HOLD INITIATION

Edward J. Nowicki Jr. was presented an official SAE jeweled pin in recognition of his services as chairman of the recent building committee. The presentation was made by Carl A. Baum, newly elected president.

Initiation ceremonies took place during the afternoon in the community meeting room of the Gettysburg National Bank's new building on West St. Robert Furney, son of Mr. and Mrs. F. Harman Furney, was one of the 17 initiates.

The annual business meeting of the corporation followed the initiation ceremonies. Reports were given by the officers, committees, advisors and chapter officers. Four new directors were elected: William Walters Jr., Glenside; John Yingst, Hummelstown; Fred Masters, Berlin, and John H. Baum, Harrisburg. Other directors re-elected are Dr. L. C. Manges Jr., Bala Cynwyd; Gordon D. Whitcraft, West Chester; Grant D. Gerberich, Mt. Joy; George D. Cough, Pittsburgh; the Rev.

Bendersville assistant fire chief, suffered a burned hand. Dale Arnold, Biglerville, had a burned face. Other minor injuries were also treated at the scene. A Hanover fireman was injured about 3 o'clock Sunday morning while operating a ram.

Progress of the fire and the battle against it was shown by the report at the Quick Call Center here. At 3:45 p.m. Saturday, Aspers, was called and summoned Bendersville. At 4:05 o'clock Gettysburg was summoned. At 4:30 Littlestown was asked to send a pumper to Gettysburg to serve in an emergency. Littlestown responded with a pumper and service truck with 30 men, which at 5:18 o'clock went to Peach Glen. Gettysburg's ladder truck was summoned at 5:10 o'clock. At 5:24 o'clock Bendersville moved its truck to Biglerville to stand by there. At 6:30 o'clock McSherrystown was summoned to bring its light plant. At 6:45 o'clock Irishtown was asked to bring its light plant to the scene. About 9 p.m. Hanover's ladder truck was called. Mt. Holly Springs arrived at the scene about 4 p.m. Hunt-dale, which had gone to Mt. Holly Springs to cover there, was later called to Peach Glen.

PUMP FROM PONDS

Arendtsville and Aspers were pumping water from a pond of O. D. Wierman, near the storage plant. Bendersville pumped water from a hydrant fed by a reservoir and sent another pumper to a farm pond a quarter mile away. Biglerville trucks pumped water from ponds across the railroad tracks.

The wind sent sparks across the Idaville Road setting fire to grass in a young orchard and threatening a farm a quarter mile away. Mt. Holly Springs firemen kept the flames from spreading to the barn and house.

Gettysburg on its arrival, sent one pumper to a hydrant on the parking lot in front of the main plant. Two portable pumps drew water from the pond being used by Bendersville and Mt. Holly Springs.

Centennial was assigned to pump water from one farm pond to another, from which three companies were pumping water.

CALL LADDER TRUCKS

Gettysburg's ladder truck was called when it became apparent that the fire would spread to the second cold storage building. Lat-

er Hanover's ladder truck was summoned to add its powerful spray to the fight against the fire in the second cold storage structure.

Some Gettysburg firemen fought from the roof of the four-story mill.

BURN POWER LINES

The fire burned telephone and power lines, but Metropolitan Edison and United Telephone workmen soon restored phone service and power.

A fire wall between the second cold storage building and the main processing-administration building and another fire wall between it and the cider mill stopped the blaze from spreading further. At 2:30 o'clock Sunday morning firemen were still fighting the blaze.

Aspers firemen moved to the huge pond of the Knouse Foods nearby a mile away and pumped a steady supply to other ponds.

SERVE COFFEE, FOOD

Residents of the area and the Knouse Foods cafeteria went into operation, and continued through Sunday to provide coffee, soup and sandwiches for firemen. Gettysburg's Auxiliary also sent coffee and sandwiches.

Several miles of hose was laid from ponds and hydrants to the scene. Fire police cut off all traffic into the scene, but long lanes of cars could be seen on nearby roads. Numerous spectators walked to the scene as the fight continued into the night.

County Fire Marshal John Murren came from another fire, at Abbottstown. He returned today to Peach Glen to help seek the cause of the fire.

Murren listed companies involved Saturday night as Arendtsville, Aspers, Bendersville, Biglerville, Bonneauville, Brushtown, Carlisle, Centennial, East Berlin, Gettysburg, Hanover, Hunt-dale, Irishtown, Littlestown, McSherrystown and Mt. Holly Springs. Biglerville and Gettysburg also used ambulances.

RELIEVE FIREMEN

Sunday Fairfield, Greenmount, Shippensburg and the Cumberland Fire Co. of Carlisle arrived at the scene to relieve firemen who had been on duty until about 8 or 9 o'clock Sunday morning.

Chester Ogden, Bendersville Fire Chief, was on duty from Saturday until late Sunday night. He expressed his appreciation to all companies which assisted and to owners of farm ponds who allowed the firemen to use the water in the ponds. Gettysburg removed its last equipment from the scene about midnight Sunday. Firemen who had been re-

leased from duty early Sunday morning were called out again later in the morning to other fires. Aspers and Biglerville were summoned at 7:35 o'clock Sunday morning to a chimney fire at the Ripley tenant house on the Aspers-Center Mills road. About 8:30 o'clock Sunday morning Biglerville firemen were called to an auto fire near Walter Slaybaugh's home in Biglerville. That fire was out when firemen arrived. East Berlin firemen, who had been at the Knouse Foods fire Saturday night were summoned to a grass fire in their own territory at 11:39 o'clock Sunday morning.

Out Of The Past
From the Files of the Star and Sentinel and The Gettysburg Times
ONE HUNDRED YEARS AGO
Fire: The large Saddle Tree and Plating Shop of John Cress, Esq., about 2 1/2 miles East of town, was entirely consumed by fire on Tuesday morning, March 5th, about 8 o'clock. The fire broke out up stairs whilst some of the hands were engaged at work below. His loss is about \$900 — three hundred of which is covered by insurance in the Adams County Insurance Company. It is not known how the fire originated.

Fatal Accident On The Northern Central Railway: Between three and four o'clock on Thursday morning Mr. Jas. Wooden, a conductor on the freight train between Baltimore and York, lost his life by an accident. The train, it appears, had passed McAbie's cut, going down, when Mr. W. started from the rear car, on the top of the train, to give some order to the engineer. The train was going down grade at a rapid rate, and while he was in the act of jumping from one car to another, missed his step and fell on the track. Several of the cars passed over him, and the train passed on without the knowledge of those on board that the accident had occurred. Another train which followed discovered his body lying on the track with the right thigh and arm nearly severed from the body. He was then alive and promptly removed to Parkton, where medical aid was called, but he expired soon after.

The First Levee Of President Lincoln: The first levee of President Lincoln took place on Friday night last, and it is said, never had its parallel. The White House for hours exhibited a dense mass, and hundreds had to leave who abandoned all hope of getting in. The line of carriages reached nearly half a mile at one time. For two full hours the President received the throng which surged through the blue room, where they were received, Mrs. Lincoln, assisted by Mrs. Baker and Mrs. Edwards, received the ladies in the same room. The President shook the hand of each one as they passed him, and by 10 o'clock was completely exhausted.

SEVENTY-FIVE YEARS AGO
Fire: On Monday of last week the barn of Henry Forry, near county, was destroyed by fire. The tenant, S. C. Berkheimer, son-in-law of Mr. Forry, lost 3 cows, 6 fat cattle, 2 mules and a horse, besides hay, grain and farming implements. Loss on barn \$2,500, no insurance. Loss on stock, &c. \$1,500 to 2,000, with \$1,500 insurance.

Ex-Senator Chaffee died Tuesday at the residence of his son-in-law, Ulysses S. Grant, in Westchester county, N. Y., aged 61. He was one of the first U. S. Senators from Colorado, his term expiring in 1879. He acquired large wealth in mining operations. In 1880 his only daughter married U. S. Grant, the youngest son of Gen. Grant, and he made her a bride present of half a million of dollars. Most of his wealth, as well as that of his daughter, was lost in the crash of the Grant-Ward firm.

Col. Chill W. Hazzard: As already noticed in our columns the name of Col. Chill W. Hazzard, of Monongahela City, will be presented to the Republican State convention as a candidate for Congressman-at-large. Col. Hazzard has every qualification for the high office, and his Republicanism is of the stalwart stripe. He served with credit and distinction in the war to suppress the rebellion, and in these days, when the floors of congress are swarming with ex-rebels, northern constituencies should not forget to honor the Union Soldiers.

The Central Pennsylvania Conference of M. E. Church met in Harrisburg on Thursday. Rev. W. A. Houck, presiding elder of the Harrisburg District, noted

Today's Talk

FORGET — BE NEW
Most of our sadnesses of soul are but unhappy happenings forgotten. We live too much in memories.
Faced by much which is beautiful, we should forget much which is ugly and unattractive. That nature which struggles hardest and longest is always the best nature within us.

What you are in goodness now is infinitely finer than anything which you have been—good or bad.
In time, Nature smooths out the deepest scars and often is compelled to give added strength to torn and wounded tissues.
In like manner it is possible for you to renew and re-create that which is greatest within you.

Touch the mistakes of your past with a living flame of forgetfulness. Clear your ground—and build anew!
Walk on solid earth with a steady step that you can call your Keep forgetting and forgetting—and forgetting—until you see a new world and a new being!
More and more you must dedicate your life to essentials. And in service these essentials will illumine every thought and act, making your way plain as you go.

Wipe away the grudges that live within your heart. It cannot beat healthily with them there.
Enter every day free—with an open mind and heart—ready to receive that you may always be as ready to give.
Perfume your spirit with love so that many others may know that you are around—and be glad.

Build belief in yourself by compounding your belief in others. Life grows confused and snarled only for those who try to remember what they ought to forget.
Forget—be NEW!

Just Folks

EXPERIENCE
When you are married there's one thing to do
If you're a peace-loving man
And a family is distressing to you,
Fall in with things she will plan.
If she asks in to dinner some folks you detest,
Just smile and be pleasant;
You'll find it is best.

If to dances or operas or lectures on art
She proclaims her intention to go,
Don't argue against it; get ready to start,
Say "yes" when she's looking for "no."
If you want to keep peace with the wife of your dreams,
Go where she wills how'er painful it seems.

For most of us married men, early or late,
From experience learn to submit.
We martyr ourselves when the wife makes a date,
And do what we don't like a bit.
For the sake of sweet peace we have ceased to protest;
We fall in with her plans for we've found it is best.

BEARS IN 2ND PLACE IN AHL

By THE ASSOCIATED PRESS
The Hershey Bears are in second-place in the American Hockey League today and unless the slumping Buffalo Bisons come awake the Bears probably will stay right there.

The Bisons have dropped six of their last seven games. On Sunday night, it was Hershey that rolled past the Bisons, 3-0. The shutout was the third of the season for Hershey goalie Bobby Perreault.

Now, with two weeks to go in the regular season, Hershey has 58 points to 67 for Buffalo.

Worse, from the Bisons' standpoint, the Rochester Americans have 64 points and could push ahead, too.

INDIANS LOSE
The Amerks turned back the pennant-winning Springfield Indians Sunday night, 3-2, and in the other game the Providence Reds defeated the Cleveland Barons, 5-2.

Ray Kinasevich scored all the goals in Hershey's victory over Buffalo — one in the first period and two in the second.

Duke Edmundson tallied two of Rochester's goals and Dick Van Impe collected the other. Brian Kilrea and Ken Schinkel scored for the losers. Two of the Amerks' goals came in the second period when the Indians were short-handed.

George Ranieri, rookie left wing, hit three goals for the second time in a week in the Reds' triumph over the Barons. His output gave him 25 for the season.

The victory was the Reds' fifth straight at home and the defeat was the seventh in a row for the Barons.

LENTEN PRAYER FOR TODAY

from *Go With God*
BY JIM BISHOP

George Herbert, the 17th century clergyman and poet, observed, "He that will learn to pray, let him go to sea." The favorite prayer of a man who went to sea in the service of the United States and the free nations is given below. Arthur William Radford was born in Chicago in 1896. A graduate of the United States Naval Academy in 1916, he saw duty in World War I and World War II and won advancement to five-star admiral. He was chairman of the Joint Chiefs of Staff in Washington from 1953 to 1957, when he retired to private life as a banking consultant.

HEAVENLY FATHER, I come before Thee in all humility seeking strength for the duties entrusted to me by our nation. Grant that whatever abilities I may possess shall always be used in the interest of peace and shall be devoted to war only when freedom and honor so dictate. Keep the people of our nation strong in the power of Thy might, alert but calm in the face of danger, humble and charitable in the hour of triumph, and always conscious of Thy sway in the affairs of men and nations.

Give unto me the wisdom, judgment and the courage to do that which needs to be done in order that I may worthily be numbered among those who will help shape a better life for the people of tomorrow. Grant, O Lord, that I and all the military leaders of the free people of this world may perform our tasks so well that, with Thy blessing, ours may be vanishing positions and future generations will have no need of the particular services we must now render to our country and to the world. Unite our country in an eternal purpose to preserve and bear aloft the torch of nations who love Thee and keep Thy commandments. Without Thee our best efforts must be in vain. With Thy help we cannot fail. Amen.

Bruce Cline Picked As Best Hockeyman

HARRISBURG (AP)—Five first place nominations made Springfield right winger Bruce Cline the top vote-getter among American Hockey League coaches polled by the Harrisburg Sunday Patriot-News.
Others nominated to the first team in the annual all-star squad balloting announced over the weekend were: Goalie, Ed Chadwick, Rochester; defensemen, Aldo Guidolin, Cleveland, and Bob McCord, Springfield; center, Phil Maloney, Buffalo, also named as the most valuable player, and left winger Dick Gamble, Buffalo.

Chosen as rookie of the year was right wing Chico Maki, of Buffalo. Frank Eddolls, Buffalo, was named coach of the year.

Second team choices were goalie, Marcel Paillet; defense, Steve Kratcheck, Rochester, and Howie Yanosik, Hershey; center, Bill Sweeney, Springfield; left wing, Jim Anderson, Springfield, and right wing, Maki.

LARSEN LOOKS GOOD IN ROLE

By MIKE RATHET
Associated Press Sports Writer
Don Larsen, the hard-throwing right-hander, made an impressive showing with a no-hit stint in his exhibition season debut for the Kansas City A's.

Continuing his fine spring performances, the hurler who stunned the baseball world with his perfect game for the New York Yankees in the 1956 World Series, worked three hitless innings Sunday in the A's 6-3 victory over the Los Angeles Dodgers.

Larsen, 31, gave up only one walk, and apparently has overcome the pitching defects that forced the A's to farm him to the minors during the 1960 campaign when he nosed-dived to a 1-10 record and a 5.36 earned run average.

PIRATES WIN AGAIN

The world champion Pittsburgh Pirates won their third in a row with a 6-2 triumph over Baltimore, and remained undefeated along with the American League's new Washington and Los Angeles entries.
The Senators rapped another Kansas City squad 12-4 while the Angels defeated one of the Chicago Cubs' two outfits 12-5. The transplanted Minnesota twins, third team in the AL expansion shuffle, lost their second in two starts, 8-4 to Detroit.

In other games, Milwaukee pounded Philadelphia 10-4, St. Louis beat New York 4-2, Cleveland whipped San Francisco 9-2, the Chicago White Sox edged Cincinnati 6-5 in 13 innings, and Boston beat the Cubs' other team 7-3.

Among those witnesses the state eventually planned to call to the stand to testify in the trial of Robert H. Poulson was John B. Rich, a wealthy coal operator whose home was burglarized.

Joe Grzenda, a pitcher for the Detroit Tigers, is a baseball oddity. He bats right and throws left.

SET 3 RECORDS IN TRACK MEET

By DAVE O'HARA
MILWAUKEE, Wis. (AP) — Olympic stars such as Don Bragg, Parry O'Brien and Hayes Jones keep piling up victories, but the comparative unknowns are captivating the fans on the indoor track circuit.

The winning efforts of the veteran campaigners were overshadowed completely by three young potential greats Saturday night in the 10th annual Journal Games before a record Milwaukee crowd of 11,523.

Stealing the spotlight were Jim Grelle, former University of Oregon runner, Bruce Kidd, 18, Toronto, and Dave Mills, a Big Ten champion from Purdue.

2ND FASTEST MILE

Grelle turned the top performance of his career in capturing the invitational mile in 4:03.6, the second fastest clocking this winter.

Kidd, who finished second to Hungarian ace Istvan Rozsavolgyi in the Chicago mile Friday night moved up to the two mile and won in 8:59.2.

Mills, who lowered the indoor quarter-mile record to 47.2 in the Big Ten meet recently, shaved six-tenths of a second off the Milwaukee 600 mark with an easy victory in 1:10.9.

George Kerr, the Illinois student from Jamaica, ran the second fastest 1,000 in history while edging record-holder Ernie Cunliffe of Stanford in 2:08.1.

Bragg and Henry Wadsworth, former University of Florida star, tied at 15 feet, 5 inches, in the pole vault but the Olympic champion was declared champion on the basis of fewer misses.

O'Brien won the shot with a heave of 61-10 1/2, while Jones, the Eastern Michigan flash, equaled the indoor record of 5.9 in the 50 yard high hurdles.

Easton Team Takes High Bowling Score

EASTON, Pa. (AP)—A Class B team from Easton took the highest score Sunday at the opening of the annual Pennsylvania Women's Bowling Association tournament.

Miller Ruthers Hardware of Easton rolled 2,404 points, 60 better than the best Class A score, made by Harder's of Williamsport.

CEMETERY FIRM SUED
New Freedom Couple Charge Susquehanna Gardens With Attempt to Defraud

Charging attempts to deceive and defraud and high pressure salesmanship, a New Freedom couple has brought a suit for \$5 against three Yorkers trading and doing business as Susquehanna Memorial Gardens, 36 North Duke Street.

The complaint was filed in court by Robert A. and Reba F. Rosier against Attorneys Elmer C. Morris and Wentworth D. Vedder Jr. and Frederick C. Hill.

The Rosiers claim that an agent of Susquehanna Cemetery Gardens, identified as Gerald Adolph, gave misrepresentations on the sale of cemetery lots on a visit to their home on Nov. 23, 1960, in "urging them by various high-pressure techniques" to buy space in the gardens.

Adolph allegedly made the following representations which the Rosiers claim were false:

1. That certain photos were those of Susquehanna Gardens when they actually were of another garden.
2. That the gardens overlooked a lake in York township when actually an apple orchard is located where the lake was pictured.
3. That bronze plaques marking graves in the gardens would be part of initial cost when actually they are separate cost items.
4. That overall cost of burial would be materially cheaper than in other cemeteries when actually cost is not cheaper.
5. That all bronze plaques would be alike when actually they are of varying price and design.

The Rosiers also contend that Adolph presented a judgment note for \$210 to the plaintiffs for signature "without proper explanation" and that the couple signed an agreement to purchase a double lot for \$215, paying \$5 down.

Littlestown And Scotland Meet For A-F Title On College Floor Tuesday

Littlestown and Scotland, respective champions of the Adams and Franklin Divisions of the Adams-Franklin Basketball League, will meet in the third annual championship game Tuesday evening at 7:30 o'clock on the Gettysburg College floor.

Last year Coach Jack Bream's Thunderbolts lost to Greencastle 62-60 in the title game. They are hopeful of more success in their second try. Bigerville won the title in 1959.

The Bolts took the Adams title with a 12-6 record and have compiled an overall 14-9 record to date. They have been idle since March 2 when they dropped a Class C playoff game to Cornwall 59-56.

LOST ONE A-F GAME

Scotland chalked up a regular league season record of 17-1, losing only at Greencastle 47-34. Later they won over the Blue Devils at Scotland 45-40. Two of the Cadets' league triumphs were at the expense of Littlestown, winning at Scotland 48-39 and repeating at Littlestown 58-51 in the second round of play.

Coach Marshall Frey's outfit has recorded a 21-5 season, being eliminated in the Class C playoffs last Thursday by West Reading 67-46 in the District 3 title game.

The Cadets' starting lineup is expected to include Phil Dubose 5-8, Harry Dorsey 5-10, Bob Hollinger 6-4, Torrell Parker 6-0, and Rick Dubose 6-1. Reserves include Gary Baker 5-6, Bill Fink 6-0, Regis Fockler 6-1, Tom Campbell 6-0, Elwood Skillman 5-8, Jim Howard 5-10, and Greg Woods 5-11.

BOLT STARTERS

Coach Bream's Bolts have been inconsistent throughout the campaign, playing brilliant ball at times and sagging off considerably on other occasions. If they come up with a solid all-around performance they could surprise the Cadets.

Starters for Littlestown tonight will include Bob Benner 6-4, Larry Weikert 6-0, Gene Apple 6-2, Larry Bair 6-1, and Bill Bower 5-10, all seniors.

Don Jones, 5-10 junior, and Larry Snyder, 5-11 senior, will be the first line replacements.

Adult tickets will be 75 cents and student tickets 35 cents which may be purchased at the college gymnasium Tuesday evening.

LOCAL HOUNDS TAKE HONORS

Laurel Run Tim Tam, owned by Leo McDermitt, Hanover St., placed second in the annual winners' stake trial held Sunday afternoon at the Chambersburg Beagle Club. The winners stake is made up of the dogs winning ribbons during the 1960-61 season which ends this month.

Tim Tam also won the league trophy for being the most consistent point winner during the same period.

Two other McDermitt dogs, Hillside Sally Blue and Twinkle Hill Topper, won first and fourth places, respectively, in a class of 20 at the Swatara Beagle Club on March 5.

Wolf Hill Jackie, an eight-month-old Beagle owned by John Olson, R. 5, placed fourth in the Atlantic Association Derby trial held Sunday at the York-Adams Coon and Beagle trials. The hound is now eligible for the finals to be held at Lebanon Beagle Club's running grounds in April.

Local Grid Coaches Attending Clinic

Three area scholastic football coaches will attend the annual Atlantic City football clinic today through Thursday.

Don Young and Carl Schoenborn of Gettysburg High School and Jack Emanuel, Bigerville mentor, will attend.

Included on the clinic staff are Rip Engle, Penn State; Dan Devine, Missouri; Frank Broyles, Arkansas; Ray Graves, Florida; Carrell Royal, Texas; Pete Elliott, Illinois; Jack Curcio, Stanford, and Jim Owens, Washington.

Two MSM Cagers On All-State Team

John O'Reilly, 6-5 Sophomore, and Ed Pfeiffer, 5-10 Sophomore, of the Mt. St. Mary's College basketball squad, were selected on the Maryland All-State squad Sunday by Maryland coaches.

Completing the squad are Bob McDonald, Maryland; John Heagney, Loyola; Brooks Gracie, Baltimore; Dave Tremaine, Navy, and Dave Riddick, Maryland State.

Dave Maloney and Dick Talley of the Mountaineer squad received honorable mentions.

Tommy Bolt Wins Pensacola Open

PENSACOLA, Fla. (AP)—Tommy Bolt is Pensacola Open Golf champion after one of the steadiest bear-down performances of his sometimes tempestuous career.

The Crystal River, Fla., veteran was only a stroke ahead Sunday at the start of the 72-hole tournament's last 18 holes. But he knocked in seven birdies for his best round—a 5-under-par 67—and finished with a 13-under-par 275, good for \$2,800.

Gary Player of Johannesburg, South Africa and Langhorne, Pa., turned in the day's best round, 65, and finished second two strokes behind Bolt for \$1,900. He now tops professional golf money winners at \$19,904. Dow Finsterwald of Tequesta had a 279 good for \$1,400 and third place despite taking a triple bogey on one hole in his 70 round.

The Western Pennsylvanians won their third straight title here Saturday, scoring 67½ points to 40 for runnerup York. Erie Strong Vincent took third with 27, followed by Lancaster with 19. The Bucknell University tournament produced six new meet records.

Mt. Lebanon's Tom Tretheway, a 16-year-old, was timed in the 100-yard breaststroke at 1:03.2, shattering his own meet record of 1:04.6 set last year. He has pending an American record for that event of 1:02.0.

The 200-yard Mt. Lebanon medley quartet of Larry Shekell, Tretheway, Dick Espositon and Rick Toucey, won in record time of 1:45.1, breaking the old mark of 1:45.5 set by Mount Lebanon in 1960.

RECORD BREAKERS

The 200-yard freestyle team of Bruce Thompson, John Shields, David Davidson and Randy Martin, was timed in 1:33.0, two and eight-tenths seconds faster than Erie Strong Vincent's 1960 four-some.

Other record breaking performances were by Rick Gilbert of Lancaster in the diving event with a 120.95 total, breaking his own record of 104.73 set in 1960; Rick Hollister of Allentown Dieruff in the 50-yard freestyle, 22.3, breaking the old mark of 23.6 set by Bill Myers of Norristown in 1952, and Lanny Reppert of Upper Darby, 2:11.4 in the 200-yard individual medley, lowering his own record of 2:13.9 in 1960.

MOVES WITHIN ONE POINT OF ALL TIME MARK

CHICAGO (AP)—Bernie (Boom Boom) Geoffrion's backhand from 20 feet out moved the Montreal ace to within one goal of the National Hockey League scoring record Sunday night and helped keep the Canadiens in front in the NHL race with a 6-2 victory over Chicago.

The Canadiens maintained a one point advantage over the Toronto Maple Leafs, who kept their title hopes alive with a 5-0 win over Boston, New York, meanwhile, knocked off Detroit 7-3 in a game which had no bearing on the standings.

The Canadiens virtually ruined Glenn Hall's bid for the Vezina goalies trophy.

Hall and Toronto's John Bower each entered Sunday night's game with 167 goals against them. But Bower turned back 38 shots to register his second shutout of the season and the 30th of his major league career while Hall was beaten six times.

Geoffrion, with 49 goals, has three games remaining in which to outdo Maurice Richard, who set the scoring record with Montreal in the 1944-45 season with 50 goals.

LEHIGH TAKES EASTERN TITLE IN WRESTLING

BETHLEHEM, Pa. (AP)—Lehigh University, with three individual champions, has captured the Eastern Intercollegiate Wrestling tournament team title which Pitt and Penn State shared last year.

Lehigh racked up 88 points to 64 for runnerup Pitt which came up with two individual champions. Penn State, which had three individual winners, finished third in the tournament Saturday night with 54 points. The Nittany Lions were followed by Rutgers, 44; Army, 37; Navy, 34; Columbia, 13; Yale, 12; Penn, 11; Harvard, 10; Syracuse, 7; Cornell, 6; Princeton, 6; Temple, 4; Franklin and Marshall, 4; and Brown, 1.

LEHIGH CHAMPS

Lehigh's Thad Turner, who was named the tournament's outstanding wrestler, successfully defended his 167-pound crown by defeating Bill McGrath of Rutgers, 16-0.

The two other Lehigh champs were Kirk Pendleton, 157, who defeated Jim Harrison, Pitt, 3-0, and Jim Detrixhe, 177, who defeated Al Rushatz, Army, 3-2. Dick Martin, 123, defeated Jim Balquist of Columbia, 8-0, and Larry Lauchie, 130, defeated Dick Janish, Rutgers, 2-0, to emerge as individual titleholders for Pitt.

The Penn State winners were Dan Johnston, 137, by a 1-0 decision over Daryl Kelvington of Pitt; Ron Pifer, 147, by a 3-0 decision over Mike Nativ of Army; and Johnston Oberly, heavy-weight, by a 2-0 decision over Chuck Moore of Lehigh.

Oberly was the Fletcher Memorial Trophy as the wrestler who has scored the most points for his team in EIWA action.

Wright Wins Miami Women's Tourney

MIAMI, Fla. (AP)—Mickey Wright zoomed to a 6-over-par 76 in the final round but still was a walkaway winner of the 7,500 Miami Women's Open Golf Tournament.

She finished the 54-hole event Sunday with a 220—six strokes better than three runners-up. The victory was worth 1,247.

Marlene Bauer Hagge, Mary Lena Faulk and Louise Suggs tied for second with 226s.

ADVERTISE IN THE TIMES

Champ Weighs 194, Johansson, 206

MIAMI BEACH, Fla. (AP)—Heavyweight champion Floyd Patterson today weighed 194 pounds—the heaviest of his career—for his title defense against Ingemar Johansson of Sweden at Convention Hall tonight.

Johansson weighed 206½. It also was Johansson's top weight.

The New Yorker weighed 182 to Johansson's 196 for their first fight in New York, June 26, 1959, when the Swede knocked out Patterson.

In their return bout at New York last June 20, Patterson weighed 190, his heaviest to that date, when he knocked out Ingemar, who then weighed 194.

There will be a radio broadcast (ABC) of the 15-round bout but there will be no home television.

JOHNSON COPS 82ND STRAIGHT WRESTLING WIN

ALTOONA, Pa. (AP)—Unde-feated Mike Johnson of Lock Haven has notched his 82nd straight wrestling victory in four years of scholastic competition.

Johnson pinned Gaylord Magoon of Erie Strong Vincent in 14 seconds of the third period Saturday night to win the 120-pound title in the PIAA's Central-Northwestern regional tournament.

The victory, Johnson's 42nd by pin, boosted him four over the former PIAA record of 78. George Custer, wrestling coach at Bald Eagle Nittany High School, set the old record several years ago.

12 WINNERS

The 12 individual winners are now qualified to compete in the PIAA state championships next Saturday at University Park.

Summaries:

95 - pound — Forrest Lamey, Sugar Valley (Dist. 6), pinned Walter Clark, Clearfield (Dist. 9) 1:42, second period.

103 - pound — Don Ferguson, Chestnut Ridge (Dist. 5), defeated Richard Fetzner, Bald Eagle Area (Dist. 6), 11-4.

112-pound — Terry Haise, Erie Strong Vincent (Dist. 10), defeated Gary Poorman of Bellefonte (Dist. 6), 5-4.

120 - pound — Johnson, Lock Haven (Dist. 6), pinned Magoon, Erie Strong Vincent, 14 seconds, third period.

127 - pound — Rod Wentling, Greenville (Dist. 10), defeated Dave Thiel, State College (Dist. 6), 3-1.

133 - pound — Dietrick, Lock Haven, pinned Neal Seelinger, Erie East (Dist. 10) 1:13, first period.

138-pound—Ken Narducci, Erie Academy (Dist. 10), defeated Adam Waltz, Bald Eagle Nittany (Dist. 6), 5-3.

145 - pound — John Henderson, Lewistown (Dist. 6), defeated Jerry Fletcher, Clearfield (Dist. 9), 8-7.

154-pound—Glenn Stone, Clearfield, defeated Harry Whitehill, Bellefonte, 9-3.

165-pound — Cook, Lock Haven, defeated Denny Miller, Chestnut Ridge, 6-1.

180-pound—Swope, Lock Haven, pinned Ed Arrington, Erie East (Dist. 10) 1:45, second period.

Unlimited—Jim Nance, Indiana (Dist. 6), defeated Rich Arrington, Erie East, 6-4.

Basilio Wants To Meet Paul Pender

SYRACUSE, N. Y. (AP)—Carmen Basilio, who got past Don Jordan with "a much easier fight" than he expected, turned his sights today toward Boston and a mid-weight title bout with Paul Pender.

Basilio, a former middleweight and welterweight king, used a right uppercut effectively Saturday night as he pounded out a unanimous, 10-round victory over Jordan, an ex-welter champion from Los Angeles.

Basilio is scheduled to meet Pender April 22 for the New York-Massachusetts version of the mid-weight title.

COLLEGE CAGE TEAM SET FOR BIG PLAYOFFS

By DON WEISS
Associated Press Sports Writer

Comes now the time of the year when the college basketball fan takes a look at the big NCAA, small NCAA, the NIT and the NAIA and yells SOS.

Seventy-six of the nation's best teams, big and little, start this week the 10-day scramble that will end with four champions of the 1961 season and the answer to the question just about everyone has been asking all year—can anyone beat Ohio State?

After smashing Illinois 95-66 last Saturday, the mighty Buckeyes of the Big Ten start defense of the national collegiate title they won so emphatically last year with the first perfect record of any major team since North Carolina in 1957.

NCAA FIELD COMPLETE

Naming of Xavier of Ohio, Seattle and Oregon to the last three at-large berths completed the 24-team field for the NCAA championship tournament which has preliminary games Tuesday night and Wednesday before settling down to regional semifinals at Charlotte, N.C., Louisville, Lawrence, Kan., and Portland, Ore., this weekend.

To keep 'em company, the 12-team National Invitation Tournament begins at Madison Square Garden Thursday night with the first of six doubleheaders between them and championship day on March 25. The eight survivors of the NCAA small college field gather in Evansville, Ind., for a three-day showdown Thursday, Friday and Saturday. And 32 select teams start week-long competition today in the NAIA tourney in Kansas City.

Ohio State, St. Joseph's (Pa.), Kentucky, Texas Tech, Cincinnati, Kansas State, Utah and Loyola of Los Angeles drew first round byes in the national championship, which begins Tuesday night with Rhode Washington vs. Princeton, Rhode Island vs. St. Bonaventure, and Wake Forest vs. St. John's in an eastern regional tripleheader at New York and with Ohio U. playing Louisville and Morehead meeting Xavier in a Mid-East regional doubleheader at Louisville.

St. Louis plays Miami (Fla.) and Holy Cross meets Detroit in Thursday's opening NIT program.

After last weekend's play, Wittenberg and South Dakota State have established themselves as possible favorites in the NCAA small college focus. In Thursday's quarter-finals, South Dakota plays California Santa Barbara and Wittenberg meets Williams.

Westminster (Pa.) has been top seeded for the NAIA field, which includes defending champion Southwest Texas State. Eight first round games today and Tuesday set in motion the competition, which ends Saturday night.

DETROIT WINS PLAYOFF POST

By THE ASSOCIATED PRESS

Jerry West, the Los Angeles Lakers' valuable rookie, proved even more valuable to the Detroit Pistons in the final seven seconds of the National Basketball Association season.

West's basket with only seven seconds left Sunday helped the Lakers to a 123-122 victory over the Cincinnati Royals. The loss eliminated the Royals from the NBA playoffs and gave the berth to the Pistons. The playoffs start Tuesday.

Detroit had clinched at least a tie for the third and last playoff berth in the Western Division a couple of hours earlier when it defeated New York 120-106.

NATS VS. WARRIORS

The Eastern Division long ago was sewed up so third-place Syracuse's 136-134 overtime loss to champion Boston didn't mean a thing in the final standings. However, the Nats, which meet Philadelphia Tuesday night in the start of the best-of-five series, still are finding it hard to win and will have to catch fire suddenly to go anywhere in the playoffs.

The Lakers and Pistons start their best-of-five series in Los Angeles Tuesday night with the winner meeting St. Louis in a best-of-seven series. The Hawks, Western Division champs, closed their season against Philadelphia Saturday night with a 130-87 victory.

Cincinnati beat the Lakers 108-106 Saturday.

Annunciation Wins CYO Cage Tourney

Annunciation of McSherrystown won the York CYO invitation basketball tournament by defeating St. Patrick's of York on Sunday 33-23. The McSherrystown outfit advanced to the final by winning two games Saturday, defeating St. James of Steelton 39-29 and St. Joseph's of York 41-25.

James Roth and Henry Reese of Annunciation were named to the all-tournament team.

Dave Knox, of St. Francis Xavier School, received the sportsmanship trophy.

Idaho ranks first in the U. S. in the production of lead. It is the number two silver producing state.

GHS Seeks Fourth District Title At Hershey Tonight

Another backing of about 1,000 fans will follow the Gettysburg High School basketball ball squad to the Hershey Sports Arena tonight where the Warriors meet Reading at 8 o'clock for the District 3 Class A basketball title.

A total of 862 tickets was sold up until 9:30 this morning at the high school, including 587 student tickets and 275 adult. The sale continued until 1 o'clock this afternoon.

Gettysburg will be gunning for its fourth district title while Reading will be after its ninth. The Warriors won district crowns in 1941, 42 and 43.

Tonight's opponents play similar brands of ball inasmuch as both use a deliberate pattern rather than the race-horse fast-break attack. Reading, Central Penn League titlist, has a 21-3 overall record. The Warriors, South Penn champs, are 16-4 with a nine game winning streak.

WGFT will broadcast the game, with pre-game activities beginning at 7:55.

The winner tonight meets unbeaten Bethlehem, District 11 kingpin, at the Farm Show Arena, Harrisburg, Wednesday evening.

SAYS READING MAY LOSE STAR FOR BIG GAME

By THE ASSOCIATED PRESS

Reading may be without the services of its top point-maker in tonight's PIAA Class A District 2 title game with Gettysburg.

Joe Natale, who has scored 381 points for Reading this season, is undergoing whiplash treatment for a right wrist injury and may see only limited action if he gets in the game at all.

Reading, with a 21-3 record, will be out to eliminate Gettysburg, sporting a 16-4 slate, to earn a shot at Bethlehem in interdistrict action Wednesday night at the State Farm Show Arena in Harrisburg.

Bethlehem beat Tamaqua, 82-57, for the District 11 title Saturday night at Hershey.

ALSO AT HERSHEY

The Reading-Gettysburg contest also is on tap at Hershey.

In other Class A action Monday night, the District 2 title will be decided with favored Nanticoke, the defending titlist, and Scranton Central meeting at Scranton.

Interdistrict competition is scheduled in PIAA Class C competition.

Forest City plays Susquehanna at Clarks Summit and Jenkintown takes on Butler Twp. at Norristown in preliminary round action in the east. In the west, semifinal contests pit Hyndman against Williamsburg at Bedford and Clarion-Limestone against Commodore Perry.

Mount Lebanon High pulled somewhat of a surprise in Class A play Saturday night by upsetting McKeesport, 62-53, in

Let's Look At The Record

PRESIDENTS FROM IRELAND
"The Auld Sod" Now Rivals Virginia
Kennedy Cottage Located In Dunganstown

By JIM DAN HILL, Ph.D.
President, Wisconsin State
College, Superior

OUT OF IRELAND comes the cheery word that Dunganstown, in County Wexford, aspires to become a first class American tourist trap.

Paddy Welch is spending two guineas (\$3.88) for an enormous, colored photograph of the tiny village's sudden claim to fame. He is hanging it back of his polished mahogany bar. Like all thrifty publicans, he begrudges the cost but hopefully looks forward to an honest yield in improved business, comes the summer's tourist rush.

But Paddy is also proud of the subject. "It's not every town in Ireland can boast of the likes of Cousin Jack."

Yes, you guessed it! In Dunganstown is located the ancestral hut back to which every American President must inevitably trace his heritage. In a farm cottage there, Patrick Kennedy, the great grandfather of our J. F. K., lived until about 1850. He then took off for Boston. Dreams came true that could happen only in America.

THE ANONYMOUS Associated Press reporter to whom we are indebted for the foregoing further states the old farm that then produced less than enough potatoes is still occupied by a Mrs. James Ryan, a Kennedy before her marriage, and her 23-year-old daughter, Johanna. They are fourth or fifth cousins. The stone cottage, or what is left of it, is now used for feeding livestock. Half the population of Dunganstown and the nearby quaint town of New Ross appears to be claiming a bonafide relationship with "Cousin Jack." A fair collection known by all as an unquestioned fourth cousin of the President complains, "You'd be shocked at the number of people who now claim to be related to me. It is really quite distressing!"

Incidentally, the less than one hundred miles of scenery along the coast road from Dublin south to Wexford and across the uplands to New Ross is so beautifully rewarding that even a Republican could enjoy the pilgrimage!

With the sparkling Irish sea on the left and the incredibly green, well shaped, high and rounded Wicklow Mountains on the right, there are vistas long to remember. Sorry, but when I made the drive I never dreamed a future American shrine might be near my route. I recall no Dunganstown near New Ross or elsewhere.

! AND RIGHT HERE is where I might get in real trouble. That Wicklow coastal scenery is second only to the Glens of Antrim and the North Coast road from Belfast to Londonderry. In Dublin donnybrooks have come from such a comparison. Worse yet, the record shows that the forebears of at least three American presidents came from Antrim County. In their more effulgent moods the not-always-modest North Irish claim six to eight. But for these extreme claims they get into the maternal sides of White House family trees. Normally there is a cavalier disregard for the distaff side of the house.

Mr. Truman's great grandmother, for example, came from North Ireland. On this basis the Ulster people could claim him. But in Europe it is the name, the

paternal line, on which wagers are settled.

DISAGREEING with a North Irishman cost me dinners for three plus tickets to Belfast's Savoy theater for a terrible production of "Rain." Be it said here there is no greater histrionic debacle than an Irish stock company's leading lady attempting to duplicate Miss Eagles as Sadie Thompson.

During my four or five months in Ireland, frequent tea-time hosts were Mr. and Mrs. Arthur Dobbs, of Carrickfergus. The ancient Norman castle on a small, rocky promontory of the same name is one of the oldest and best preserved in Ireland. This is largely because British, North Irish regiments garrisoned it until well into our own century.

From the tall, gray castle tower, or keep, Mr. Dobbs was pointing out historic points: "The little spire among all the trees is Kilroot, where Jonathan Swift began his clerical career; and but for the foliage I could show you exactly where lived Andrew Jackson, father of your famous President."

THAT WAS NOT the way I remembered it, and said so. With austere gentility, Mr. Dobbs drew back his shoulders and said, "At least four of your country's presidents were from ancestors who lived within less than a hundred miles of where we now stand."

That was when I made the said bet. Back in his library, I lost and conceded on five before I could get him off the subject. They were Andrew Jackson, both of whose parents were from Carrickfergus; Chester Alan Arthur, whose father was from nearby Ballymena; Woodrow Wilson, whose grandfather was definitely an Ulsterman; James K. Polk, and William McKinley, who appeared to come within the scope of the wager.

As a mother of American presidents, Ireland is now rivaling Virginia. If the North and South Irish will come in as one state, instead of two, and promise not to challenge the right of our good Scandinavian citizens to wear green ties and shamrocks on St. Patrick's Day, we might well favor Ireland's becoming the 51st state.

Missile Testing Is Hinder To Garage

LITTLETON, Colo. (AP)—The radio-controlled door on Kermit C. Axson's garage works fine, just fine, during the daytime.

It's only at night that it does funny things. Such as going up and down like a yo-yo.

Axson finally decided the door's nervous habits resulted from nighttime testing of intercontinental ballistic missiles at the Martin Co. plant a few miles away. When engineers there test dry-run missiles, they sometimes use frequencies tuned to that of Axson's garage door.

TO LONDON, TO LONDON

NEW YORK (AP)—The rights to do a London production of Broadway's new musical, "The Unsinkable Molly Brown," have been acquired by S. A. Gorkinsky. The timing of the presentation may depend on whether Dore Schary, the White Way director, can repeat that chore.

Do You Have Arthritis?

Here is a message you will want to read.

Your doctor can tell you there is absolutely **NO KNOWN CURE** for arthritis. Medical research specialists are now engaged in several projects which, it is felt, will ultimately help in finding a cure, but as yet none has been found. Naturally, we all live in hope they will be successful, but until that time we must be content to get the best relief possible. Right now there is a fast, safe and effective relieving agent available called **Pravon**. Pravon's ingredients have been used in hospitals and clinics, prescribed by doctors, and have helped scores of men and women to lead happy and full lives. You can be sure nothing is faster, safer or has been proven more effective than Pravon for a temporary easing of a minor arthritis condition or its related diseases... rheumatism, neuritis, sciatica, lumbago and bursitis. And it's wonderful for backache and every-day muscular aches and pains, too. Try Pravon today. Ask your druggist for a generous 75-tablet TRIAL-SIZE BOTTLE. You must be satisfied with the results or your purchase price will be refunded by the maker. There are larger, economy sizes also, for continued use. Peoples Drug Store.

A Bit Of History About Early Settlers

By B. F. M. MacPHERSON

The account of the Brinkerhoff family of New York, New Jersey and Pennsylvania is continued at this time with further data from the Brinkerhoff genealogy published in 1887.

After Derrick Brinkerhoff, the son of Joris Derickson (1) and Susanna Brinkerhoff, was killed by the Indians on Staten Island "—his mother was so grieved at the death of this son that she refused to go and live where the boy had been slain."

Having given up the lands on Staten Island Joris Derickson (1) turned his attention to Long Island and obtained from Governor Keft a grant of land within the present city of Brooklyn. This grant was dated March 26, 1646, and upon this the family settled and lived until 1676-77. After the death of Susanna (Dubbels) Brinkerhoff the plantation was sold.

Joris Derickson (1) Brinkerhoff died January 16, 1661, and his wife outlived him by some sixteen years — for her death occurred in 1676-77. The pioneer Brinkerhoffs were the parents of four children — as follows:—

1. Abraham (2) Brinkerhoff — born in Holland — died in New York.

2. Hendrick (2) Brinkerhoff — born in Holland — died in New Jersey.

3. Aeltje (2) Brinkerhoff — apparently the only daughter in the

descendants were afflicted with the same disease. They were continually seeking new lands, new horizons — and — in some cases, over the years, kept on going until the Pacific Ocean put a stop to their travels. They can be traced, in some instances, from Holland to New Amsterdam (New York), to New Jersey, to Pennsylvania, and from thence to points south, west and north.

The Pennsylvania Brinkerhoffs were descended from Joris Derickson (1) through his second son, Hendrick (2) Brinkerhoff, Jacobus (3), the youngest son of Hendrick (2) was the father of a son named Joris (4) Brinkerhoff, who was born October 9, 1719 — probably in the old homestead on the Hackensack. It was this Joris who emigrated with his family into what is now Adams County, Pennsylvania.

In November 1745 Joris (4) Brinkerhoff was married to Martina Bogard. After his marriage he settled upon a farm near Schraalenburgh, Bergen County, New Jersey. Here he lived until the spring of 1770 — when he felt the urge to "move on."

The seven children of Joris (4) and Martina (Bogard) Brinkerhoff, all boys, were born in New Jersey and are listed as follows:—

1. James (5) Brinkerhoff — born November 27, 1746 — (no further data).

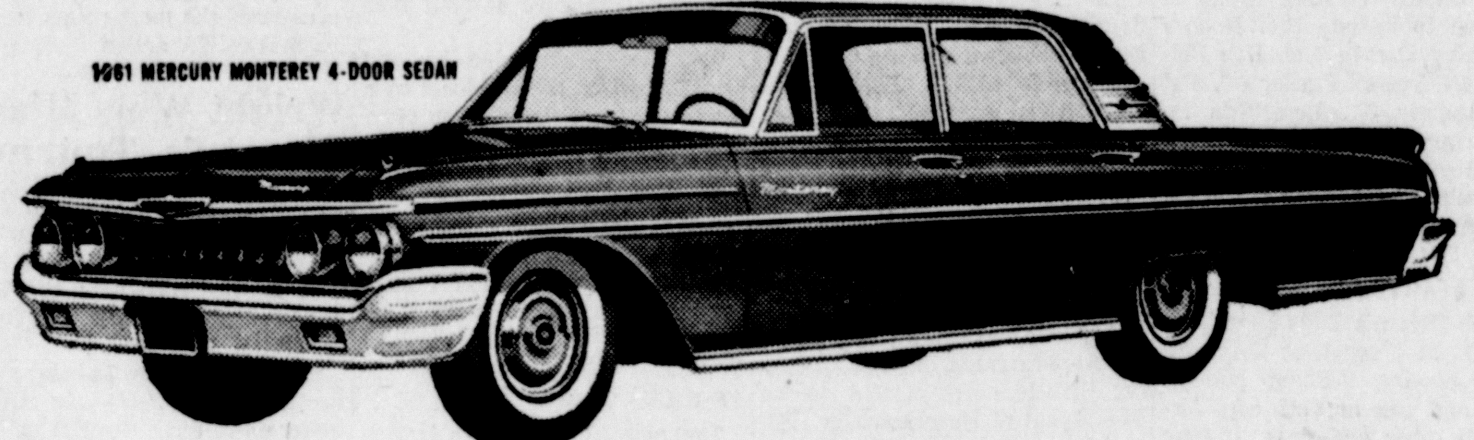

2. Roeliff (5) Brinkerhoff — born November 10, 1748 — came to Conewago Settlement, Pennsylvania, with his family.

3. Henry (5) Brinkerhoff — born July 4, 1751 — came into what is now Adams County, Pennsylvania, with his family.

4. Gilbert (5) Brinkerhoff — born February 22, 1753 — no further data pertaining to this member of the family.

The United States contributes nearly one-third of the U.N. budget.

Repair Cushions At Home Tunison Says; Vegetables Important In Daily Meals

By MRS. HELEN D. TUNISON
Extension Home Economist

Sofa cushions of spring construction have a long life. The springs are still good even after constant use causes them to become untied and pop up against and sometimes through the cushion cover. It is this very springiness, controlled by tying, which makes a chair or sofa comfortable.

Numerous small, lighter springs are preferable to a few heavy coils in a cushion. Because of the labor involved in tying springs and the cost of the light steel springs, the more coils a cushion has, the higher is its initial cost. For the same reason, higher cost is involved in repairing the cushion. This often is why an upholsterer will suggest buying a new unit.

If the cushion size for your furniture is not available or if cost is important and several cushions are involved, repairing the springs at home may be the answer. Repairing is simplified by making a muslin pocket unit which eliminates the need for tying. After you sew the pocket, put in the springs and join in a unit which is ready to pad and cover. You can put the unit together for the upholsterer if you're not doing the work yourself.

COPIES AVAILABLE

Detailed directions for repairing innerspring cushions are given in the Pennsylvania State University circular 390, "How To Repair Innerspring Cushions." You can get a copy without cost if you write or call the agricultural extension office.

Vegetables are important in daily meals. They give a meal flavor, color, and texture. If properly prepared, vegetables provide needed vitamins and minerals. Many vegetables are rich in vitamins A and C — two vitamins American diets are often low in.

When planning menus, give vegetables as much consideration as the main dish or dessert. Serve a variety of vegetables, try new recipes, and avoid overcooking. Most vegetables have top flavor when cooked until tender in a small amount of boiling salted water in a tightly-covered saucepan.

Science Shrinks Piles New Way Without Surgery Stops Itch—Relieves Pain

New York, N. Y. (Special) — For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids, stop itching, and relieve pain — without surgery.

In case after case, while gently relieving pain, actual reduction (shrinkage) took place.

Most amazing of all—results were

so thorough that sufferers made astonishing statements like "Piles have ceased to be a problem!"

The secret is a new healing substance (Bio-Dyne®)—discovery of a world-famous research institute.

This substance is now available in suppository or ointment form under the name Preparation H®.

At all drug counters.

Kite Causes Planes To Change Courses

SAN JOSE, Calif. (AP)—A large red kite with a long white tail dipped and bobbed about 500 feet over Municipal Airport Friday. It caused airliners and private planes suddenly to switch their landing approach patterns to miss it.

Irate pilots complained to the tower and the tower complained to the police. It took police 25 minutes to locate the young kite flyer. The kite was hauled down.

GIRL SCOUTS AT SERVICES IN ST. PAUL'S

In observance of national Girl Scout Week over 60 Brownies, Girl Scouts, leaders and troop committee members attended the Sunday morning worship service in St. Paul's Lutheran Church. The pastor, the Rev. Lawrence H. Roller, delivered an appropriate message. The girls, in uniform and in a body, were accompanied by the following leaders and troop committee members: Mrs. Charles E. Ritter, Girl Scout neighborhood chairman, Mrs. James Ramsey, Mrs. James H. Spalding, Mrs. George Schaefer, Mrs. John Kump, Mrs. John H. Flickinger, Mrs. George Rhodes, Mrs. Marvin F. Breighner, Mrs. John A. Santz, Mrs. Carroll E. Arter, Mrs. L. Robert Snyder and Mrs. Luther W. Ritter.

The Rev. G. Howard Koons, pastor of Christ United Church of Christ, baptized two infants during the worship service on Sunday morning. They were Barry Wayne Arentz, son of LeRoy W. and Mary D. Thomas Arentz, who was born December 7, 1960, and Wendy Sue Topper, daughter of B. James and Erma J. Arentz Topper, who was born February 10, 1961. The parents were the baptismal sponsors.

The world service envelopes were received during the worship. William J. Nunemaker, Gary L. Mummett, Louis E. Hilker and Freddie L. Dutterer served as ushers. The choir sang the anthem, "The Cross of Christ," and the sermon was delivered by the Rev. Mr. Koons. The altar flowers were placed by the Altar Guild. Bulletins were presented by Mr. and Mrs. Delphia J. Sterner in honor of their 46th wedding anniversary. Bulletin sponsors should contact Lester L. Hilker. At the service Sunday, Ethel I. Hordwell was received into the congregation by reprofession of faith.

The consistory of Christ Church is calling a congregational meeting at the 10:30 a.m. worship service for Sunday, March 26, to secure the approval of the congregation to proceed with plans and build the new Christ Church on the hill of the parking ground at an approximate cost of between \$200,000 and \$225,000, under the supervision of Architect J. Alfred Hamme, York.

Donations for East flowers were received by the Altar Guild at the close of the worship service Sunday and following the service next Sunday.

TO SPONSOR BULLETIN

The Women's Guild is again sponsoring a Mother's Day bulletin. Persons may place the name of their mother, in memory or in honor, by contacting a member of the guild or one of the following committee: Mrs. Clyde L. Sterner, Mrs. Charles A. Grove, Mrs. Alta M. Myers and Miss Cora R. Diehl. The guild is sponsoring a soap and wash cloth project for overseas relief. Those wishing to contribute these items may give them to a member of the guild or leave them in the church vestibule. The guild announces that the first quarterly envelopes are due and may be left on the church offering plates.

Christ Church Choir will rehearse on Tuesday at 7:30 p.m. The catechetical class will meet at 1:30 p.m. on Saturday at the church.

The King's Daughters' Class will meet at 6:30 p.m. Wednesday at the home of Mrs. Wilmer F. Kessler, Hanover. A covered dish supper will be enjoyed and meat and cakes will be furnished by the committee: Mrs. John N. Sell, Mrs. Orville C. Sentz, Mrs. Roy A. Sterner and Mrs. Clyde L. Sterner. There will be a white elephant sale of 50-cent articles.

Buying a USED CAR?

Timely Tips That Can
Help Protect Your
Investment!

1. Choose your dealer carefully.
2. Buy only from a well established reputable dealer.
3. Buy only from a dealer who maintains his own adequate facilities to service the car you buy.
4. Insist on a WARRANTY in writing that can be "backed-up."
5. BUYING from a NEW CAR DEALER IS YOUR BEST BET. . . . Most new car dealers sell locally owned trade-ins, not Used Cars obtained from Auto Auctions or distress merchandise from large cities.
6. Insist on knowing where the Used Car came from. "Ask who was the previous owner." Most new car dealers will be happy to tell you and invite you to contact the previous owner.
7. New Cars bought from Used Car Dealers . . . REMEMBER, only the New Car Dealer is authorized to extend a FACTORY WARRANTY to a buyer, NO ONE ELSE.

Automation Wins Firm Place On U.S. Farms

By SAM DAWSON
AP Business News Analyst
NEW YORK (AP)—Automation is winning a firm place in the vocabulary of today's farmer.

It helps him lick problems of operation costs. With it he can coax more out of acreage that may be restricted in size by government controls. Or it can let him buy and cultivate another tract and still keep the whole thing a family farm.

Automated gadgets are also prime factors in the struggle of the farm equipment industry with its earnings problems, often acute in recent years.

ORDERS CLIMBING

Sales of automated farm machinery should show a gain of 3 to 8 per cent this year over last, if increased production of this form of equipment is any indication. Makers of automatic equipment to be fitted into farm machinery report their orders are climbing steadily.

Automation is used in its broad sense of mechanical operation or control of farm machinery. Example: Combines designed to perform a variety of chores. Automation doesn't mean that the farmer himself isn't very much in the picture.

Based on his orders from farm equipment makers, Steven P. J. Wood, president of Warner Electric Brake & Clutch Co., Beloit, Wis., says this should be a banner year. He estimates that the average farmer already has an investment of \$50,000 per worker in farm machinery.

TREND GROWING

Warner's sales to makers of combines increased by 850 per cent between 1953 and 1960. And Wood says that this year one manufacturer is equipping 60 per cent of his combines with automatic electric clutches, compared with 40 per cent last year.

Makers of farm equipment agree that the mechanization trend is growing. Among the many, such firms as International Harvester, Deere, J. I. Case, Massey-Ferguson, Ford's Tractor & Implement Division, stress the highly mechanized devices.

New combines, for example, are used to harvest many different types of crops in addition to wheat, and now vie with the corn picker.

IN FIELD OF HANDLING

A high degree of mechanization is found in the field hay pelleting. This cuts and compresses hay into 1½ inch cubes at a rate of 4½ tons hourly.

Also there's a seeder that digs holes, plants seeds, spreads fertilizer, fills the holes and tamps the dirt automatically.

The latest automation drive is in the field of materials handling, such as the hay stacker and various types of barn equipment, and also in machinery to handle animals.

DONALD DUCK

Celebrates 105th Birthday Friday

OXFORD, Md. (AP)—"Uncle" Perry Brooks celebrated his birthday here Friday only a few miles from the little one-room cabin in which he was born 105 years ago.

Until a few years ago, when he suffered a stroke, Uncle Perry could recall days dating back to Civil War times. His memory is a little foggy now, and he's happy just to sit in his chair by the fire and wait for another spring.

Until he was past 90, Uncle Perry was active in farming and working on the water.

Televized control of tractors. One man will operate several tractors in the fields from one control tower.

Forage handling. Atomic energy devices will dry and pelletize forage in one minute.

If all these goodies come to pass, the next great movement may be: Away from the cities and the suburbs—and back to the Farm.

TO SELECT NEW CONGRESSMAN

HARRISBURG (AP) — Democratic leaders from four counties came here today to recommend a candidate to run for Congress from the 16th District in a special election May 16.

Their choice will be submitted for ratification Tuesday at a special meeting of the Democratic State Executive Committee here.

Republicans have selected John C. Kunkel, 62 of Harrisburg, to run for the vacancy created by the death of Rep. Walter M. Mumma, Harrisburg Republican, last Feb. 25.

KUNKEL CHOSEN

Kunkel, a former congressman, was chosen at a weekend convention of GOP leaders from Dauphin, Lebanon, Perry and Juniata Counties. He defeated State Sen. Thomas A. Ehrgood, Lebanon.

Ehrgood took the convention floor to criticize what he called "bossism" in the GOP ranks.

Ehrgood said there was a vital need in the party "for vitality and youth is more important than ever before."

"The selfish interests of one man must never be allowed to determine the breed of the Republican Party."

Before the convention Ehrgood had criticized State Sen. M. Harvey Taylor, Dauphin County GOP leader, for announcing his support of Kunkel. Ehrgood contended this amounted to handpicking a candidate since Taylor's county controlled 62 of the 102 votes at the convention.

Dauphin gave Kunkel all of its votes and Lebanon County, as expected, cast all of its 26 ballots for Ehrgood. Juniata County gave its five votes and Perry County cast its nine votes for Kunkel. That assured his nomination on the first ballot.

Delegates then approved a motion making Kunkel's choice unanimous.

The Baltimore Orioles were the best road team in the American League in 1960, winning 45 and losing 32.

SULLIVAN AND PAAR DEBATE ON TV TONIGHT

By CYNTHIA LOWRY
NEW YORK (AP)—The Kennedy-Nixon debates certainly started something.

If tonight's Ed Sullivan-Jack Paar match gets a big audience, debating may yet turn out to be a TV entertainment form as important as westerns and wrestling.

The two personalities will argue their viewpoints on the NBC Paar show. The only flaw in the idea—and it may be a fatal one as far as TV is concerned—is that there can never be any clear cut outcome: no winner can be declared, always an unsatisfactory climax.

At least after the Kennedy-Nixon jousts, an election was held, more or less indicating who came out ahead.

COMPLAINTS DEMONSTRATED

Incidentally, Sullivan's complaints were demonstrated perfectly by Robert Merrill on Paar's Thursday night show. Merrill came on the show, sat down and chatted awhile with Paar and company. Presumably, if Merrill had confined his appearance to sitting around swapping jokes and stories, he would not have been "performing," as Sullivan defines the word.

But then, professional singer Merrill went over to the piano and sang a solo. Then he was performing. And when Merrill sings a solo on Sullivan's show he receives a fee much, much larger than the minimum union wage—\$320—which the Paar show pays its guests.

Sullivan says that if performers perform for \$320 on Paar's show, hereafter they will get the same fee on his show. This decision could present some delicate problems.

MAY THINK TWICE

There are so many borderline cases that many established performers might well think twice about appearing on the Paar show. Others, who benefit more from Paar's "exposure" than from an occasional well-paid Sullivan appearance, undoubtedly will continue to throw in where it does them the most good.

Lists Little Things That Get Him Down

By FRANCIS STILLEY
NEW YORK (AP)—Sometimes it's the little things that get a fellow down.

There are plenty of them.

To wit:

Penny chewing gum machines

that gum up.

The steady drizzle which begins just as you get to the ball park.

Waiting in a supermarket

checkout line with only a can of

beans in hand while four people

ahead get mountains of groceries

toted up and sacked.

Trying to cash a check in un-

familiar territory, and the diffi-

culty of trying to keep from look-

ing like a suspicious character.

TIGHT SHOES AND PEOPLE

The mosquito which pounces in

the middle of the night—then, in

cowardly fashion, hides out when

you get up and try to find it.

That wretch who, upon being

told he has the wrong number,

hands up with the sarcastic im-

plication that it's all your fault.

Garbage collectors who start

clanking at 4 a.m., 5 a.m., 6 a.m.,

Shoes that are too tight.

People the same way.

Burned toast.

Scraped burned toast.

Much work.

HAL BOYLE is on vacation.

awash with St. Patrick's Day feel-

with every last member bearing

an Irish name.

CARNEY MIXED UP

Art Carney was mixed up in a

rather heavy-handed musical fan-

tasy called "O'Halloran's Luck,"

which even involved leprechauns.

It was a piece of fluff about an

Irish immigrant coming to Ameri-

ca and, when things were going

wrong, meeting up with an ex-

patriate leprechaun. The lepre-

chaun and his little people friends

were Bil Baird marionettes, and

the idea of mixing up people and

puppets didn't work out too well.

However, it was timely and well

intentioned.
